SAMPLE OUTLINE FOR MAKING YOUR TESTIMONY

1

GREETING & PURPOSE

(Open Simply and Humbly)

Example:

“Good morning church. I want to share something simple but real.”

 Training Note:

- Keep it warm and short.
 - No need for long introductions.
 - Focus on God, not your resume.
-

2

THE STRUGGLE (Be Honest but Not Over-Detailed)

Example:

“There was a time when I felt disappointed in someone I loved. I felt hurt, misunderstood, and I wanted to withdraw.”

 Training Note:

- Share the problem clearly.
- Avoid gossip or unnecessary names.
- Be transparent, not dramatic.

Ask trainees:

- 👉 What was the situation?
 - 👉 How did you honestly feel?
-

3

THE TURNING POINT (What God Reminded You)

Example:

“But God reminded me that love is not just a feeling — it’s a choice. Jesus said in John 15:12...”

 Training Note:

- This is the most important part.
- Show how Scripture shaped your response.
- Connect your experience to Christ.

Ask:

👉 What verse, truth, or sermon helped you?

4

THE DECISION (Your Faith Response)

Example:

“So I chose to pray instead of react. I chose to stay kind instead of cold.”

Training Note:

- Highlight obedience.
- Show practical action.
- Testimony is not just what happened — but what you chose.

Ask:

👉 What did you do differently because of your faith?

5

THE TRANSFORMATION (What Changed)

Example:

“The situation didn’t change overnight — but my heart did.”

Training Note:

- Not every testimony ends with a miracle.
- Sometimes the miracle is inner change.
- Emphasize spiritual growth.

Ask:

👉 What changed in you?

6

THE LESSON (What You Learned About God)

Example:

“I learned that loving when it’s hard doesn’t make you weak. It makes you Christ-like.”

Training Note:

- Summarize the spiritual principle.
 - Make it clear and memorable.
 - One strong sentence is better than five scattered ones.
-

**7**

THE ENCOURAGEMENT (Bless the Church)

Example:

“If you’re disappointed today, don’t stop loving...”

Training Note:

- Speak to those listening.
 - Turn your story into encouragement.
 - Always point back to God.
-

**8**

GIVE GOD THE GLORY

Example:

“To God be the glory.”

Training Note:

- End with humility.
- The goal of testimony is worship, not applause.
